

Peacock Pay
PAYROLL. REDEFINED

Payroll Services

COMPLEXITY IN PAYROLL ADMINISTRATION?

COMPLIANCE REQUIREMENTS?

BENEFITS ADMINISTRATION?

We help organizations to address the above:

PeacockPay, is providers of business outsourcing and human capital management solutions, serves small and mid-sized companies. We help employers, improve employee engagement and meet regulatory requirements using our services for payroll processing, tax, compliance and benefits administration.

Payroll is a very important function for any organization due to its sheer sensitivity, it is service with no room for error. It requires knowledge of all relevant laws that are applicable for payroll processing in India.

Peacock Pay have full-fledged payroll practice, with dedicated team of experienced professionals with extensive knowledge relating to payroll processing.

The client data will be hosted on secured infrastructure as per IT norms. The infrastructure has been assessed as per industry security standards. We maintain a regular data backup for data security.

We are available at a dedicated mail box to take and resolve client queries. We also address queries of clients by telephone during office hours. Once a month, we place a team member at the client location to meet employees face-to-face and clarify their queries and quarries are resolved in timely manner.
